March 1, 2016 – San Francisco, CA – [We Blog the World](#), an online luxury and adventure [travel magazine](#) that focuses on Transformative Travel and unique luxury experiences around the globe, announced that is a media partner for the Travel & Adventure Show at the Santa Clara Convention Center in northern California, being held on March 5-6, 2016 and for the second year in a row, a media partner of the New York Travel Festival (NYTravFest), being held at St. Francis College in Brooklyn New York from April 16-17, 2016.

The Travel & Adventure Show has been around for twelve years, establishing itself as a premier consumer marketing platform in the travel industry. Since 2004, the Travel & Adventure Shows, which have been held across the country, have helped over 1.1 million travelers find, plan and book their dream trips. Their goal is to connect quality travelers with top travel providers and today, they are the largest, fastest growing series of travel shows in the U.S. They also have events in Philadelphia, Washington DC, Chicago, Los Angeles, San Diego and Dallas.

The New York Travel Festival is a series of events for those whose lives are touched by travel, from members of the travel industry, travel media, lifelong travelers, long-term travelers, college students and people in career transition.

“With the expansion of coverage around adventure travel, it made perfect sense for us to partner with the Travel & Adventure Show, and I hope to work with them on shows in other cities in the future,” said Renee Blodgett. “I am also thrilled to be teaming up with the New York Travel Festival for the second year in a row – I love the energy and community that Roni Weiss and his team create, which brings a unique experience to the travel industry.”
